Welcome Mike & Carla Baker

Where visitors are always our welcomed guests, and members share
opportunities to serve the Lord, God is revealed to man through
the Bible, and through a knowledge of the Bible, man comes to know God.

SHUT-IN OF THE WEEK: Gladys Deatricks is our shut-in of the week. Her address is 309 Hillview Drive, Mt Juliet, TN 37122. Calls, visits, cards and prayers help to lift the spirits and bring joy to these precious souls, and any recognition is meaningful to them.

SYMPATHY: Our beloved **Houston Stanton** passed away last week. There was a Gathering of Family and Friends on Wednesday here at the church building. He will be greatly missed. Remember his daughter **Teresa Jackson** and his son **William Stanton** and his grandchildren.

WELCOME: **Mike & Carla Baker** 395 Devon Chase Hill Unit 803 Gallatin, TN 37066. 407-982-0781.

CARE GROUP will meet **tonight** after the evening worship service in the fellowship hall. The food will be catered for the meeting. There is a sign-up sheet on the bulletin board for those who are staying to eat.

HUMBLE YOURSELF

“Humble yourselves in the sight of the Lord, and He will lift you up”.

These are the words of James 4:10 as he reminds his readers that God pulls away from the proud and arrogant but draws near those who are lowly in spirit. Jesus had stated of the poor in spirit, *“theirs is the kingdom of God.”*

No man ever injured his eyesight by looking on the bright side of things.

WELCOME VISITORS

It is our utmost concern to worship God as closely as possible to the way the church in the first century did. We use the examples of the Bible to conduct our services. We pray that you will be encouraged by our service, and will feel free to ask us any questions you might have. Please remain after worship service so we can have a chance to meet you.

NURSERY

For those in need of a cry-room, there is one room in back of the auditorium on the right. There is also a full nursery. Go through the door on the left of the pulpit and down the hall to the left. There are changing tables in the ladies' and men's restrooms in the foyer.

**From the Desk of
Darrell Blankenship**

January of 2019 I was honored to accept the position as your pulpit minister. The last 40 months have been some of the most enjoyable times I have spent preaching. We have rejoiced as we have buried many of our faithful brothers and sisters. Brenda and I found Green Hill to be a great place and we hope we are leaving it even better than we found it. We have made some incredible friends that will be for lifetime. Thanks for the incredible reception the most generous money tree but most of all for the love and memories.

Remember we are still in Mount Juliet and just a phone call away.

See you soon,
The **Blankenships**

Friendly Reminder...
please adjust cell phones

Thank you

GOD IS A SUN

**Have you ever been outside in the early morning when it was cool outside?
Then when the sun came up and its rays hit you, you immediately felt warmer.
Or maybe you live in a place where it snows a lot. Even when it is still cold
enough for the snow to be on the ground, if you stand still where the
sun's rays can be on you, you will feel warmer.**

**The sun's rays also help plants grow. Without the sun's rays the plants
could not grow. The proper amount of sun makes the plants very healthy.
People even need sunlight. The sunlight activates some chemicals in the body
that then help make the body healthy.**

**In Psalm 84:11 we read, "for the Lord God is a sun and shield; the
Lord will give grace and glory: no good thing will He withhold
from them that walk uprightly."**

**God is the sun of our spiritual life. He gives us exactly what we need
to live the proper and healthy spiritual life. There is something we have to
do to receive the grace and glory from God. We must walk uprightly.**

**The only way to know how to walk uprightly is to study the Bible.
We must get the wisdom from it to do what God wants us to do.**

So keep reading your Bible.
