WELCOME VISITORS

It is our utmost concern to worship God as closely as possible to the way the church in the first century did. We use the examples of the Bible to conduct our services. We pray that you will be encouraged by our service, and will feel free to ask us any questions you might have. Please remain after worship service so we can have a chance to meet you.

NURSERY

For those in need of a cry-room, there is one in back of the auditorium on the right. There is also a full nursery. Go through the door on the left of the pulpit and down the hall to the left. There are changing tables in the ladies' and men's restrooms in the foyer.

God gave us a gift of 86,400 seconds today. Have you used one to say "thank you?"

What should not be heard by little ears, should not be said by big mouths!

Friendly Reminder...
please adjust cell phones
prior to services.
Thank you

A Pool of Sin

Getting into sin is a little like getting into a swimming pool. When you first get into a pool, it feels cold and uncomfortable. However, after just a few minutes, you get used to the water temperature and it doesn't feel uncomfortable anymore. In fact, if you stay in the pool for very long, it may even get to the point to where it is uncomfortable to leave the pool.

When someone first gets into the pool of sin, it usually feels uncomfortable. However, in just a little time, they get used to sin and it doesn't bother them anymore (I Tim. 4:2; Jer. 6:15). In fact, if they stay in the pool of sin for very long, they will likely get to the point to where they don't want to leave the pool at all (John 3:19-20). If they do get out of the pool, many of them will soon go back to it (II Peter 2:22).
