### **“Have You Noticed?”**

*That the people who find time to visit the sick and teach the lost have  
as much to do as those who do not? It is with them a matter of  
putting the most important things first.*

*That people who never miss services have just as much sickness  
and just as many kinfolks as those who miss when they don't  
feel good or when company comes?  
They just put first things first.*

*That those who are teaching Bible classes don't have any more time  
to prepare than others do, they just take time for that which is important.*

*That those who attend Bible classes regularly have just as many small  
children as those who don't attend regularly? They just want their  
children to be taught the Bible for the earliest years.*

*seek first the kingdom of God (Matt. 6:33)  
first giving themselves to the Lord (II Cor. 8:5).*

**Think about it!**
