## WELCOME VISITORS

It is our utmost concern to worship God as closely as possible to the way the church in the first century did. We use the examples of the Bible to conduct our services. We pray that you will be encouraged by our service, and will feel free to ask us any questions you might have. Please remain after worship service so we can have a chance to meet you.

## NURSERY

For those in need of a cry-room, there is one in back of the auditorium on the right. There is also a full nursery. Go through the door on the left of the pulpit and down the hall to the left. There are changing tables in the ladies' and men's restrooms in the foyer.

*Thank You*

I want to thank everyone for your thoughts and prayers for my Grandson's health. He has fully recovered from his recent treatment.

Mitch Rollins

Thanks to everyone for the prayers and cards since I have been sick. Sometimes God lays us down so we will look up.

With God's blessings,  
Love Carla Nave

***HOW MANY TIMES DO WE PUSH THE BUTTON?***

*The sign on the church building door reads **Push the button and WAIT for a reply.** Do we push the button more than once? How long can we wait for the reply? We know there is someone in the building but we are in a hurry! We think pushing that button over and over again will bring them quicker.*

***PATIENCE, THEY WILL RESPOND WITH ONE PUSH!***

*How many times do we push the call button on an elevator? Once you push the button the call signal is already established in the elevator controls. The response time is NOT proportional to the number of times we push the button.*

***PATIENCE, IT WILL RESPOND WITH ONE PUSH!***

*When we wait at a traffic light and it turns green the car in front of us does not respond at that moment but delays a second. We gently tap the horn to call their attention to the light changing to green thus signaling that we can go. They do not respond instantly. We now push the horn as fast as we can in their wrath and the wrath of all around.*

***PATIENCE, THEY WILL RESPOND WITH ONE PUSH!***
