WELCOME VISITORS

It is our utmost concern to worship God as closely as possible to the way the church in the first century did. We use the examples of the Bible to conduct our services. We pray that you will be encouraged by our service, and will feel free to ask us any questions you might have. Please remain after worship service so we can have a chance to meet you.

NURSERY

For those in need of a cry-room, there is one in back of the auditorium on the right. There is also a full nursery. Go through the door on the left of the pulpit and down the hall to the left. There are changing tables in the ladies' and men's restrooms in the foyer.

***Let the word of Christ
dwell in you richly
in all wisdom, teaching
and admonishing
one another
in psalms and hymns
and spiritual songs,
singing with grace in
your hearts to the Lord.***

Mysteries Of Life

***Once when I was going to Columbus, Ohio, I stopped to eat in a restaurant
and ordered a slice of watermelon. I took the seeds home with me to
plant in my garden.***

***That night a thought came to my mind. How many watermelon seeds would
it take to make a pound? The next day I weighed them and found that it would
take about 5,000 dried seeds.***

***A few weeks later I planted just one of the little seeds. Under the influence
of sunshine and rain, that little seed had taken off its coat and gone to work. It
had gathered from somewhere two hundred thousand times its own weight and
forced that enormous weight through a tiny stem and built a watermelon. On
the outside it has a covering of green and within that a rind of white and within
that a core of red, and then it had scattered through the red many little seeds,
each one capable of doing the same work over again.***

***What architect drew the plan? Where did the little watermelon seed get its
strength? Where did it find its flavoring extract, and its coloring matter?
How did it build a watermelon?***

***Until you can explain a watermelon, do not be too sure that you can set limits
to the power of the Almighty. The most learned men in the world cannot
explain the watermelon, but the most ignorant man can eat a watermelon and
enjoy it. God has given us the knowledge necessary to use these things,
and the truth***

***that he has revealed to us is infinitely more important for our welfare than it
would be to understand the mysteries that he has seen fit to conceal
from our faltering view.***

William Jennings Bryan
